

Sacred Spaces Sustainability Assessment

*A 360° Look at the Health and Future
Sustainability of Your Church*

Are you concerned about whether your church's ministry, finances, and facilities are truly sustainable for the future?

The Sustainability Assessment provides a clear, data-informed evaluation so you can address challenges early and strengthen long-term ministry stability.

Who It's For

Churches seeking an honest evaluation of financial, facility, and ministry sustainability

What It Is

A guided and data-driven process that assesses the key factors influencing your church's long-term health and sustainability.

How We Help Your Church Move Forward

- ✓ Evaluate leadership capacity, finances, attendance trends, and facilities to understand sustainability realities
- ✓ Identify risks and opportunities that will shape your church's ability to operate in a sustainable pattern

What This Process Gives Your Church

- ✓ A clear, honest picture of current health and the actions needed to strengthen long-term sustainability
- ✓ Aligned leadership confidence and congregational awareness to make wise, proactive ministry decisions

Take the Next Step

Schedule a consultation to explore how the Sustainability Assessment can help your church strengthen long-term health and stability.
